N. VENKATARAMAIA,
District Forest Officer.

ENGINEERING DEPARTMENT

BUREAU OF SANITARY ENGINEERING, BANGALORE

Notification dated 2nd September 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 1 P.M. on 27th September 1940 for the work of transshipment of water-supply materials, C. I. pipes, specials, valves, etc., for the Chitaldrug Town Water Supply from the licensed plumbers or approved contractors, in Chitaldrug Town. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by June 1940.

1. Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer on payment of four annas per each form. No tenders in non-prescribed form shall be accepted. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

2. Each tender must be accompanied by a deposit of Rs. 150 in cash (no cheques will be accepted) as earnest money and be superscribed "Tender for the work of transshipment of water-supply materials, C. I. pipes, specials, valves, etc., for the Chitaldrug Town Water Supply" in default of which the tenders will be rejected.

3. The final acceptance of the tender will rest with the Sanitary Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

4. Within eight days of the acceptance of the tender the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

5. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

6. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

7. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

8. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Sanitary Engineer will be final and legally binding.

9. The transshipment includes the clearing of goods from the Railway station and conveying and delivering them without damages at the site of work.

10. In case of damages or fracture the contractor should be bound himself to make good the cost of the new article or replace a new one in place of the broken articles within a specified time limit.

11. The distance of the articles to be conveyed varies about 9 miles to $\frac{1}{2}$ a mile. The average lead is about 6 miles or less. The same is not guaranteed however.

12. The rate is in general in the public roads of the Chitaldrug Municipality and the Trunk Road leading to Davanagere. The conveyance is subject therefore to the local Municipal laws. Materials have however to be delivered along the site of works which are not guaranteed to be by the public road side though the site is not further than about 3 furlongs from the main road.

13. The pendency of the contract is about $1\frac{1}{2}$ years commencing from the month of October 1940.

14. The quantities of materials, etc., mentioned in this contract are not guaranteed.

15. In calculating the actual lead for purposes of the bill the scale will be half a mile, the lead to the nearest half mile being omitted if less than 3 furlongs and regarded as half a mile if more than 3 furlongs.

Estimate of the approximate quantities of work of transshipment of water-supply materials, C. I. specials, valves, etc., for the Chitaldrug Water Supply.

No.	Items of work	Unit	Quantity
1	9" C. I. pipes each 12 ft. long and weighing from $6\frac{3}{4}$ Cwts. nearly to about $5\frac{1}{2}$ Cwts. each pipe	Cwt. per mile	19,300
2	7" C. I. pipes each 12 ft. long and weighing about 4 Cwts. each	"	2,400
3	Specials of sizes from 10" to 4" or below and about 120 in number	"	500
4	Valves of sizes with or without their usual appurtenances about 50 in number	"	200
5	Filter machinery and fittings	"	100
6	Pumping sets with bed plates, motors, fittings, etc.	"	150
7	Other articles like furniture, etc., cart weighing $\frac{1}{2}$ ton to $\frac{2}{3}$ ton lead	Cart per mile	

K. S. HUTCHA RAO,
Sanitary Engineer.

CHITALDRUG DIVISION.

Notification dated 10th September 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Chitaldrug Division, up to 3 P.M. on 3rd October 1940, for improving the roof and providing Verandah in front of the Nurses quarters at Davangere.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Chitaldrug Division, should be addressed to the Executive Engineer, Chitaldrug Division, in a sealed cover and superscribed as "Tender for improving Nurses quarters at Davangere." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a Treasury chellan after depositing Rs. 200 to 17(a). P. W. Deposits (in words) rupees two hundred only in cash or Government Promissory Notes or Mysore Government Bonds, duly endorsed at face value or market value, whichever is less, as an earnest money. The earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 3rd October 1940 at 4 P.M. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.
